

REMARKS

Claims 4-8 and 13-20 are pending in this application. Claims 4, 5 and 7 are amended, and claims 1-3, 9-12 and 21-23 are canceled by this amendment without prejudice or disclaimer.

Applicants are pleased to note the Examiner indicated that claims 13-20 are allowed and claims 4-6 and 8 are allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. Accordingly, Applicants have rewritten claim 4 in independent form including all the limitations of base claim 1. Therefore, claim 4 is now in condition for allowance.

Reconsideration and allowance in view of the foregoing amendments and following remarks are respectfully requested.

Entry of this amendment is proper under 37 C.F.R. § 1.116 as the amendments:

- (a) place the application in condition for allowance for the reasons discussed herein;
 - (b) do not raise any new issues that would require further consideration and/or search
- as the Applicants merely put claim 4 in independent form and thus in form for allowance and amended claims 5 and 7 to depend only from allowable claim 4.

The amendments are necessary and were not earlier presented as they are in response to arguments raised in the final rejection. Entry of the Amendment is respectfully requested.
